PROGRAM DETAILS

The Delaware State Housing Authority (DSHA) is dedicated to providing safe, decent and affordable subsidized rental housing to qualified low-income families in Kent and Sussex Counties. DSHA offers four programs of subsidized housing for which you may apply:

Housing Choice Voucher (HCV) & Public Housing

When your name comes to the top of the waiting list, you will be contacted about one of these housing subsidies. Applicants DO NOT HAVE A CHOICE of which housing subsidy you will receive. You must accept the type of housing program offered or your name will be removed from the waiting list. **You may be approved for an exemption from Moving To Work (MTW) if you are elderly and/or disabled (see MTW below).**

- **Housing Choice Voucher (HCV):** The Housing Management Office will issue Vouchers to applicants who qualify for this subsidy. **It will be your responsibility to look for a unit in the private market.** When the unit is approved, you will receive assistance with your rent.
- **Public Housing:** The Authority owns and manages housing sites in Kent and Sussex Counties. If you qualify for this subsidy, you will be offered an available unit at one of our public housing sites. (See MAP for locations.) Note: Public Housing includes seven family communities and one elderly/disabled apartment community.

Huling Cove (Single-Bedroom Units for the Elderly & Disabled)

DSHA manages Huling Cove and Huling Cove Annex in Lewes, DE. This site has one bedroom units only for the elderly and disabled. If you qualify, you will be offered a unit when your name comes to the top of the list. (See MAP for locations.)

Holly Square (Single-Bedroom Units for the Elderly)

The Authority manages Holly Square in Middletown, DE. If you qualify, you will be offered a unit when your name comes to the top of the list. (See MAP for locations.)

Moving to Work (MTW)

The **Moving to Work Program** began on August 1, 1999 and affects all applicants and residents of the Housing Choice Voucher and Public Housing Programs within the jurisdiction of the Delaware State Housing Authority (DSHA). Residents of DSHA Assisted Housing will be required to:

- Sign a Contract of Mutual Participation (COMP) and a Resident Action Plan which will be monitored regularly.
- Be employed and remain employed as required in the Resident Action Plan and COMP.
- If not employed, participate in job training programs and/or job search activities as required.
- Ensure school-aged children attend school in compliance with the school district in which you will reside.
- Comply with terms of lease, rules and regulations and Obligations of the Family if a participant is in the Voucher program.

Participants in the MTW Program will have the benefit of case management and DSHA will provide a social worker/case manager to assist you in achieving your goals. Additionally, DSHA will establish a savings account for the family when their income increases above an established rent cap. This money can be used to assist in the transition to fair market housing upon successful completion of the MTW Program.

The MTW Program provides housing assistance for a maximum term of seven (7) years. Strikes are issued when the resident fails to comply with the provisions of the signed contract. Any resident receiving three strikes will lose their housing subsidy.

Exemptions to MTW:

- Households whose head or spouse is 57 years of age or older and/or disabled; or
- Households headed by an adult needed in the home to provide care for a disabled child or adult, as verified by legal or medical documentation.

IMPORTANT NOTICE

CHANGE IN WAITING LIST PROCEDURES

The Delaware State Housing Authority (DSHA) received approval from the United States Department of Housing and Urban Development (HUD) to create a 500 unit housing assistance set-aside for families eligible for the Moving to Work Program (MTW). The set-aside will be administered for both Public Housing and the Housing Choice Voucher Programs to increase the overall number MTW participants.

To reach the goal of having 500 participants enrolled in the MTW program, three of every four available units/vouchers will be offered to MTW eligible applicants. Once the set-aside is reached and maintained, public housing units and vouchers would be offered based on preference and date of application.

To be eligible for the MTW set-aside, applicants must be currently employed working at least 20 hours per week and must qualify as a family. MTW applicants must also be income eligible, meet DSHA screening criteria and have not previously participated in DSHA's MTW program. Finally, a residency preference is given to applicants who live and or work in Kent or Sussex Counties.

The 500 unit set-aside will become effective as of September 1, 2014.

If you have any questions, please feel free to contact the Delaware State Housing Authority Waiting List office at (302) 739-6940.

For additional information on other subsidized housing options available in Delaware, please visit www.DelawareHousingSearch.org and www.DEStateHousing.com. You may also contact our Public Information Office at 888-363-8808 if you have any questions about affordable housing options.

IMPORTANT NOTICE

CHANGE IN WAITING LIST PROCEDURES

The Delaware State Housing Authority (DSHA) has elected to change the application process to ensure that the demographic composition of the resident population in Public Housing and the Housing Choice Voucher programs can equally match that of the waiting list. This policy will also provide equal access to housing subsidy programs for all applicants.

Effective July 1, 2010, elderly and/or disabled applicants will no longer have a choice in selecting the form of housing assistance offered, unless they have a medical need that can only be addressed by either Public Housing or Housing Choice Vouchers.

Any applicant that is offered either Public Housing or Housing Choice Voucher, but declines the form of housing assistance offered, will be assigned a new application date based on the date of refusal, placing them further down the waiting list. If the applicant refuses any subsequent offer of housing assistance from either the Public Housing or Housing Choice Voucher program (after the first offer) their name will be removed from the waiting list.

Applicants will have the ability to request a Reasonable Accommodation to be placed in either the Public Housing or Housing Choice Voucher programs if they have a verifiable medical need that precludes them from accepting the type of subsidy offered.

If you have any questions, please contact the Delaware State Housing Authority Waiting List office at (302) 739-6940.
